To maintain our (MAAC) Model Aeronautics Association of Canada Chartered Club status it is necessary to record the above information and ***forward it to the Diamond Aces RC Flying Club Inc (DARC) President.*** The above information will be kept on file to provide objective evidence related to MAAC Policy and Procedures Document MPPD 7. The information will be kept confidential and only be used in the event of legal investigation.

A DARC member who has achieved MAAC "A" Wings proficiency level may sponsor a guest who provides evidence of current MAAC or AMA membership and has achieved MAAC "A" Wings proficiency level to occasionally fly with him.

A DARC member who has achieved minimum MAAC "B" Wings proficiency level may sponsor a guest without MAAC membership for an introductory flight. The flight must be conducted using a buddy box system. The sponsor must hold the master controller and is totally responsible for the flight. Alternatively the guest could be introduced to a DARC club designated flight instructor for an introductory flight.

The sponsor shall review the DARC Field Rules with his guest.

The sponsor shall accompany his/her guest at all times when they are in the pit area or at a flight station with the intent of limiting their exposure to dangers.

Non-flying guests, their children, and pets are to remain in the spectator area.
